

During this time of chaos throughout the world The Chamber of the Northern Poconos would like to continue to encourage our communities to support our local businesses.

Our communities are stronger together. Let's take a step back from the barrage of media reports, have patience with one another and continue to work together. The Chamber of the Northern Poconos is a member-run organization however, the community is our heart. We will be a service to any member or non-member looking for information. There is no better time to shop local.

If you are a small business looking for information on an SBA loan or help from the Department of Community & Economic & Development, we can help you with that.

If you are a consumer and would like to help your local economy, please order a gift card or take out from your local businesses. See our list below for the current local offerings.
