

We are still fully operational.

As of today, we are still open for business. We are processing orders as usual. We continue to follow all recommended safety measures, CDC guidelines, etc. to ensure everyone's health during this crisis. Some have asked whether our business was required to shut down as per the announcement pertaining to Pennsylvania businesses yesterday by Governor Wolf. Our business is NOT being asked to close at this time. We do not fall into the category of businesses he was addressing.

Thank you again for your business. We recognize the health and safety of everyone comes first during this difficult time. We also feel that it is vital to our employees, customers, and the entire business community to keep operating and to keep local businesses viable as long as it is safe to do so. We are here working - and your business is especially appreciated during this time!

Wishing you and yours to be safe and healthy!
